

Seeking God's Guidance

1. Prayerfully yield yourself to God, asking Him to fill you with His Spirit and wisdom and to guide you in the way He wants you to go.
2. Begin recording your thoughts under each signpost.

3. After prayerfully considering the insight you gain from each signpost, look for clarity in the direction you believe that God is leading you. If you are confident of His direction, move out in faith, trusting Him to guide you as you go. If not, you may need wait, taking more time to consider your alternatives and gaining insight. There may be smaller steps you can begin taking as you continue seeking guidance.
